Dear Friends;

Behind every action, there is an idea, behind the idea a thought!

I thank you for the thought, and the resulting gift of thanks which you both have paid so much of your self into over the past five years. I do not know what this effort has cost you; but I do know the price was a high one. I admire both of you; your courage and soul, your dignity, and your genuine sincerity.

I am proud to know

Thank You

you. It shall treasure
your gift, for no matter
what it may be, I shall
remember the time of your.
But it doesn't need the gift
to remember you - Both are
unforgettable.
May God Bless You
all the days of your life
